Nowadays, technology truly sustains you activities, this on the internet publication A Year Of Marvellous Ways By Sarah Winman, is too.

A YEAR OF MARVELLOUS WAYS BY SARAH WINMAN PDF

Marvellous Ways is eighty-nine years old and has lived alone in a remote Cornish creek for nearly all her life. Lately she's taken to spending her days sitting on a mooring stone by the river with a telescope. She's waiting for something - she's not sure what, but she'll know it when she sees it.

Drake is a young soldier left reeling by the Second World War. When his promise to fulfil a dying man's last wish sees him wash up in Marvellous' creek, broken in body and spirit, the old woman comes to his aid.

A Year of Marvellous Ways is a glorious, life-affirming story about the magic in everyday life and the pull of the sea, the healing powers of storytelling and sloe gin, love and death and how we carry on when grief comes snapping at our heels.

By sarah hardy

I was attracted to this book straight away by it's beautiful cover, it really is lovely and it doesn't stop there, what's inside is even lovelier.

A Year of Marvellous Way's is actually about a wonderful lady who is actually called Marvellous Ways. It's 1947 and Marvellous reminded me very much of a gypsy woman, living in her caravan with people coming to her for help with potions to help with all sorts of ailments and problems. Through this wonderfully told story we find out more about who Marvellous really is and her colourful past.

We meet a wonderful array of characters through this story like Francis 'Freddy" Drake and Peace, who bakes bread but the taste of her bread is determined by her moods and feelings.

I can see this book not being to everyone's tastes as it is very quirky but I think if readers give it a chance I think by the end of the story they will have fallen ever so slightly for the wonderfully different Marvellous Ways.

My favourite character had to be Marvellous, she fascinated me and I couldn't wait to turn each page to learn more about who she is and what had happened to her in her past. I thought the ending was very fitting to the story and left me feeling a mixture of happiness and sadness.

This is the first book I have read by this author and I look forward to reading more by her.

Many thanks too Bookbridgr and Headline Book Publishing for a copy of this book in exchange for an honest review.

Very special

By Suze Lavender

Marvellous Ways is a special lady. She's eighty-nine years old and she's living by herself in a creek. She's lived and loved, but didn't get the chance to grow old with the person she wanted to be with the most. When Drake joins her after a traumatic ending of his stay in London she knows he needs a place to stay. He was a soldier in the Second World War and he's fulfilling a dying soldier's wish to deliver a letter. They weren't friends, but he still travels a long way to keep this promise.

Marvellous Ways has plenty of stories to tell. She has an unusual background and is a remarkable woman. Drake needs a place to heal and he's happy with the old woman's company. He makes her remember and he helps her with little jobs here and there. Soon they aren't alone any longer, because finally people are coming back to the once deserted area. Marvellous Ways leads a simple and secluded life near her beloved sea. She lives with her joys and also with her grief. Drake has a mission to fulfill, but he also needs to find the truth about himself. They are perfect company for one another...

A Year of Marvellous Ways is such a beautiful and unusual story. It brought tears to my eyes many times. It's a book I want to frame, because it's a real work of art. It's a story to savor, to enjoy slowly and to love deeply. I loved the dreamlike quality of the words, the brilliant prose and the remarkable woman called Marvellous Ways. I couldn't get enough of this book, I wanted it to keep going, because the words are all meaningful and so skillfully written. I highly recommend this fantastic novel. It's such a special book, one I will always cherish. It's a story I want to reread over and over again, to get reacquainted with old friends and to discover something new as I'm very sure that will happen every time I will read this book. It's a story that moves, that makes you wonder and that will make you think, even long after you've finished reading that last sentence.

Beautiful Book

By K. Bissell

This is an amazing book. Almost magical realist. Although magical realism is technically supposed to be broken up by the mundane and nothing in this story is mundane. It's about people learning about themselves. It's beautiful, dark, but also optimistic. The moment I finished it, I wanted to give it to my mentor. She loved it as well. I am very particular about writing styles and mostly enjoy reading authors who are wordsmiths (Nicole Krauss, Jonathan Safran Foer, Chris Cleave). Sarah Winman's style is definitely up there.
