#1 SELLER

By Kelly M. Turner

This needs to be the number one book seller. I just begun to read the first two pages and I've begun to highlight already. When God wants to get a point across he knows just what to say. AWESOME!

Trent Shelton - an inspirer to humanity

By LunaChic

I haven't read the entire book yet, but I do follow Trent on Twitter and know this young man personally and I can say that this is one true man of GOD that is consistent with not only his beliefs but also consistent with his purpose in life..He has truly harnessed what GOD has called him to do in life and has grown into a man of wisdom too, so I can assure that this inspiring book is not only insightful but also life-changing for all those who have experienced heartbreak...Trent's wisdom of the word of God and life is beyond the average 20'something year old male. This is one authentic man after God's heart and with that God is definitely leading him, so don't take this book lightly because it's not from the words of Trent but rather the voice of God speaking through Trent's mouth :) Get your copy now!

I really must say that anything God has blessed Trent and Baylor to do has reached and touched millions in a huge spiritual way. I don't even know how I became connected with RehabTime but I am very thankful to

God that I am. I have been going through a lot a mess from job loss, to divorce to much more in the last 4 years and God has really used many avenues to restore and comfort me. One of those avenues in RehabTime and I hope that it continues to grow and reach many more. I am an educator and I hope that some day soon Trent and Baylor can come speak to my students because I am working at an alternative school.

God bless you 2 and keep living out your purpose with God!
