Good if you are skilled at memorization already

By Ann H.

Good if you are skilled at memorization already. His techniques probably would help anyone who really wanted to work on improving their memory.

0 of 11 people found the following review helpful.

Book to help with mind mapping

By Becky L.

I was very confused with this book. I just could not get it. Stuck on what more to say. I was so hopeful that this would help me because I was studying for a big test. It didn't and I did not pass the test.
