Quintessential European draping techniques reference!

By S. Fouche

After learning European draping techniques I was thrilled to see that a book such as this exists. Applying all the balance lines first allows for technically perfect grainline comprehension. The making of the arm is addressed and exceptional in it's application and utilization. All garment examples are technically beautiful and expert in their presentation. Excellent!

Superb cutting info

By Maria Ibbott

Fab book with great step by step diagrams. Well worth the money and the postage from the USA ! !
