It's a match made in Hell.

Reformist supporter Anyalise of Allimore is now Lady Anya, Duchess of Eodel and the wife of the staunchest, most extreme traditionalist and leader of the Loyalist Party. Life in the eye of the Loyalist storm isolates her from everything she has ever loved, with only her maids Margaud and Amie for solace.

When personal tragedy strikes, she is all that stands between the Duke and total financial and political power over the entire kingdom. With the help of Reformist rebels, Anya escapes across Eodel to sow dissension and chaos in a kingdom ripe for civil war.

But in her quest to topple her husband's iron grip, she uncovers secrets of his past and comes face to face with the demons of his heart, and realizes there is more to the Duke's rage than Loyalist fanaticism.

With the entire Reformist army behind her, will she use her power to plunge the kingdom into civil war? Or will her compassion and devotion to true Reform set the kingdom on a different path, as the kingdom, her marriage, and her husband's soul hang in the balance?

Should be on the best seller list!

By Amazon Customer

This was so hard to put down, many nights I fell asleep while reading and it only took a few weeks to read, because I don't have much alone time, or I would have finished in a day or two! This was a very gripping story, the Duchess is a strong woman in many ways, never letting go of who she really is, and can not be broken. Unexpected history of her Duke is revealed, to change the hatred I as the reader, and she as his wife had for him. There is grate adventure hidden under this cover, good friends, unexpected allies, and an over all powerful story. The author adds such detail in the story, that you can picture yourself alongside Anya, in the Eodel manor, and almost view for yourself, Anya's memories of her childhood home as if they were your own. But her mother, UGH!!! That woman better get it in her next addition to this story!!

P.S.

I hear there was a prequel to this, I hope we have a chance to read it soon.

The writing is brilliant, and you're pulled further in to the story ...

I was hooked from the first page and found it nearly impossible to put this book down.

The writing is brilliant, and you're pulled further in to the story with each passing page. Anya is a strong, fierce woman and I was immediately captivated by her. The Duke starts as someone you love to hate, and yet he grows and becomes so much more.

I could certainly go on and on with reasons to love this book. Instead I'll just say this - read it. You will NOT be disappointed!

My only complaint is that it ended!

Excellent!

By Kay M.

I am in love! This book is the kind of book that once you start, you cannot stop. The story demands your attention from beginning to end. This book had it all, adventure, history, suspense, and romance. Anya is one of those characters that are easily relatable and whose journey resonates deep within. A book that you can read multiple times and only come to love more and by the last page you want it not to end but to continue the amazing journey that has captivated you.
