FUNDAMENTOS DE PSICOLOGIA JURIDICA E INVESTIGACION CRIMINAL. EL PRECIO ES EN DOLARES. BY ANASTASIO OVEJERO BERNAL PDF

Fundamentos de psicología jurídica e investigación criminal realiza un análisis profundo y exhaustivo de lo que podría denominarse psicología judicial para criminólogos. Se concentra en dos ámbitos de la psicología jurídica: la psicología jurídica en sentido estricto, que constituirá la primera parte del libro y que desarrolla algunos de los temas más relevantes tanto para abogados y jueces como para psicólogos, policías, criminólogos y otros profesionales de la Ley y del Derecho; en especial todo lo relacionado con lo que podemos llamar psicología del testimonio (relaciones entre psicología y derecho, los problemas de declaración de los testigos, etc.). La segunda parte del libro se centra en la psicología criminal o criminológica, y en ella se atiende a las relaciones entre la psicología social y la criminología, caso de la aplicación de la psicología social al comportamiento sectario de ámbitos como el de las sectas y los grupos terroristas, o el fenómeno del acoso laboral o mobbing.
