Nostalgia

By John Ferrell

This book brings back memories from just starting clarinet (1949). If you can master this book, you are a fine clarinetist.

0 of 1 people found the following review helpful.

Book only OK condition

By Mary A. Nuttall

The book is very good but the condition was not good. The binding was almost gone hence the book would fall apart but I was able to repair it so that the book could be as useful to me as I hoped
