A great book to teach some basic Spanish vocabulary

By A Customer

As a Spanish teacher in an elementary school, I use this book to help teach describing words. The children love how the elephant and giraffe make silly changes to their appearance; it holds their interest in the story and helps them learn the material. At the end of the story they clearly recognize the lesson: you don't need to change who you are because friends like you just the way you are!

Cute book. Both Spanish and english. Kids enjoyed it but didn't love it enough to want to read it over and over.
