I bought this book after reading through the author's blog ...

By Jyothy

I bought this book after reading through the author's blog. I find his interpretation to be modern and very closely related to our day to day lives. I never found Gita for relevant before. Of course it's not a book for you if you are an advanced Gita person. but being a beginner, it gave me inspiration to read through and understand thoroughly what each verse was trying to tell me and how I can relate it in this modern world.

Thank you Mr Marballi. Very easy to relate to with modern examples.

Using this as study guide for Sanskrit study of the Bhagvadgita.

More useful to have sanskrit text as well.

Did not understand the glossary at the back for reference.
