Who could've known that a breast-plated heroine who hails from somewhere in ancient history would catapult into the TV ratings stratosphere? That's exactly what has happened with Xena, Warrior Princess, the show that featured Lucy Lawless on a mission to help the downtrodden free themselves from tyranny and injustice. Xena was first introduced in an episode of Hercules as an intrepid warrior bent on destroying the heroic character. But she changed sides when her own army betrayed her. Each episode featured our gal surrounded by baric tribes, slave traders, and a host of other evils, as she righteously battled for good. In addition, Xena became a hot cult favorite, with devotees who pay homage through fan clubs and websites. Life Lessons from Xena, Warrior Princess -- featuring Xena's philosophy of life -- is a campy guide to what the greatest heroine of them all has to teach about today's world.

It was ok

By Shakti Valkyrie

I was actually disappointed by the book. I just didn't find the humor all that funny. It is made painfully obvious that the author doesn't care for Gabrielle all that much. I am a huge Xena fan, but this book just didn't do much for me.

Read with an open mind.

If you have a sense of humor, you will enjoy this book. If you don't you will hate it. It is totally tongue in cheek and meant to be that way. Don't take it seriously, you're not supposed to. Personally I found the book hilarious, course I am naturally crazy. To judge whether or not you will like it; if you like the humorous episodes of Xena, then you will enjoy it. It has the same humor and one liners as they use on the show. Thanks for listening and Battle On my friends!

Awesome!

A must have for ANY xenite, includes humorous quotations about Gabrielle, Xena and the fun side of life and such! Here's an example:

Copper breastplates intimate. Thigh High boots convey power. Weapons are always appropriate

accessories. Dress codes are not taken lightly.

Speak softly, but carry a big stick, and a big sabre, knife, a singing sword, a mace, and a shield, and a lasso..and a killer frisbee..and....

Consider: Gabrielle is beautiful. Gabrielle is almost entirely incompetent. Gabrielle's latest performance review was unbelievably positive.

Conclusion: Gabrielle continues to require my close, personal and hands on supervision,
