Created to enjoy God

By Joyce Stigter

This book challenged me when I read the first couple of chapters, and keeps challenging me even when I stop reading. It may be simple, but it's true: we are created to know God, and knowing God changes everything. My own personal hunger for more of God has intensified as I spent time meditating on the Scriptures and real-life examples that Antonio writes about. "In Your Presence is fullness of joy" - how we need that joy today, when our ears are filled with news of violence and fear! I thank God for Antonio's challenge to me, personally, and to all of us who feel drawn to take the plunge into the wild depths of God's Love!

Love, Freedom and Joy come from captivating every thought ...

By Leslie Rasmussen

In this day and hour, do you find yourself crying out , "There must be more! What is missing?"

For many with these heart wrenching questions, the answer lies in "More Intimacy with God".....

Incredibly, while reading Antonio's book, "Living From The Inside Out", I found myself realizing that the words were answering or confirming many of the questions I had in my heart!

Love, Freedom and Joy come from captivating every thought that does not line up with The Word of God.

Antonio's book is a "Now Word" for such a time as this! It is a word for those who already have a loving relationship with Our Lord as well as those who are searching for answers.

"Living From The Inside Out" encourages one to become a truth lover. "There is a war inside, and it is in the arena of our minds. We must begin to recognize that it is not what is on the outside that is destroying, but what is going on in the inside of our thinking...."If a thought you are thinking, or worse, a way of thinking, does not line up with God's Word, it must be taken into captivity and thrown away."

Be set free today....Get ahold of Antonio's book, "Living From The Inside Out", and begin to live from the inside out in deep intimacy with God. This will be a Life Changing Journey for you!

If you are looking for deeper insight into the heart of God I highly recommend this book. Antonio Baldovinos has wisdom and passion for the things of God that is rarely seen in this day and age. I was thoroughly blessed to read this book. My favourite chapters were "The mystery of Jesus" and "filled to overflowing". Be blessed!
