We provide *Otherwise Unseeable (Wisconsin Poetry Series) By Betsy Sholl* as well as several book collections from fictions to science whatsoever. Among them is this *Otherwise Unseeable (Wisconsin Poetry Series) By Betsy Sholl* that can be your partner.

## Review

“For a good four decades now, Betsy Sholl has been producing a poetry of stern self-reflection, risky lyrical fluency, and a deeply empathetic social consciousness. With *Otherwise Unseeable*, she gives us her finest collection thus far, a book which has refined itself into something I can only call wisdom—sometimes rueful, sometimes fierce. This is work in which, as one poem memorably puts it, we must ‘unlatch our wounds and love our ruins.’”—David Wojahn

“*Otherwise Unseeable* is faithful, as is all Sholl's work, to the contradictions we live with from day to day. These deeply earned, masterful poems take in the full range of human nature, looking unflinchingly at human evil and human suffering, while also acknowledging the ground-note of joy that waits to be heard in our daily lives. Sholl's poems can be elegiac and mournful; they can riff and fly on the force and spirit of their own language as they chart a path between despair and hope, making seeable what is ‘otherwise unseeable,’ as they give us glimpses of a ‘kingdom’ which is always here and always to come.”—Robert Cording

## About the Author

Betsy Sholl is the author of seven collections of poetry, including *Late Psalm* and *Don't Explain*, 1997 winner of the Felix Pollak Prize in Poetry. A former poet laureate of Maine, Sholl teaches at the University of Southern Maine and in the MFA Program of Vermont College. She lives in Portland, Maine.

So this way, be an excellent reader currently!

# **OTHERWISE UNSEEABLE (WISCONSIN POETRY SERIES) BY BETSY SHOLL PDF**

Winner of the 2014 Four Lakes Poetry Prize

What if ruin is a good thing? What if each day is built on the ruin of the one before? What if all our attempts to avoid ruin only make us bitter or closed off from what's around us? What if only by exploring our ruins do we become human?

The poems in *Otherwise Unseeable* examine such questions. It is a poetry full of music and surprise, in voices that are personal, invented, and historical, sometimes belonging to the poet and sometimes to others. Betsy Sholl probes what there is still to learn from the devastations of the twentieth century, and she explores the roots of human envy, greed, and generosity in lively, unexpected ways, enacting the kinds of arguments we have with ourselves: between control and relinquishment, grief and ecstasy, regret and acceptance, faith and skepticism. The end result is a book of verbal wrestling, a girl-Jacob mixing it up with one kind of angel or another, limping for sure, but still blessed.

Reliable, Intricate, Expertly Crafted

By Felicity

There is a sturdy reliability to these poems (I've returned to some of them multiple times since first reading) and yet they sing precisely because of how intricately they are crafted. The specificity of Betsy Sholl's language and the precision of her syntax carry each poem's emotional heft. Sholl is the master of associative moves and unlikely connections, both elements that drive the structure of her poems, all in the pursuit of sharing with readers things that might be otherwise unseeable.

OTHERWISE UNSEEABLE will comfort, challenge, and expose the way readers view the world of these poems. They will make one smile, make one think, make one come back to them for a second or third look. Who knows how many books of poetry go unnoticed every year, every week? We know this. What we might not realize, as in the town of the poem "Latcho Drom: 'Safe Journey'," is how much we might miss. A "flock of gypsies" arrive in the town, "roost in an old tree" and "hang sheets/ for loose billowing walls", but they are later driven out because "a town wants roofs, wants rent, rules." What if we run the same risk when we fail to notice poetry as insightful and expertly crafted as Sholl's?

At dawn, the town wakes  
to wooden wheel clatter, horse hooves,

feel of something missing, snatched.  
We don't know what.

Overlooking a single book of poetry won't be our ruin, but, as the resonance of these lines conveys, it would certainly be our loss.

We Can See Why She Wins Prizes

By Robin Merrill

Betsy Sholl is one of my favorite poets, and this book makes it obvious why. Poems from *Otherwise* stole my breath away, and I return to them again and again. Reading Betsy's poems help me understand myself. I just love her work.
