Written with passion, humility, and expectancy, Supernatural Revolution is about what God is accomplishing. Author Jamie Galloway vividly describes what he sees happening supernaturally, and demonstrates through his own worldwide supernatural experiences how to walk in this lifestyle.

A supernatural revolution is taking place—now. An unprecedented move of the Spirit of God is covering the earth and you are invited into the very heart of this movement. It is a time of glory, destiny, and a great awakening of the people of God to take their place in history as the most awesome company of believers the world has ever seen.

Each chapter concludes with a “Call to Action” that gives practical application to the teachings. Biblically-charged and Holy Spirit inspired advice includes: “When the Lord wakes you up in the night...pray in the Spirit and watch your dream life go to the next level. God's Battle Plans for the Coming Supernatural Revolution

By Dean Szilvasy

Supernatural Revolution sets the Stage of the New Things coming supernaturally. He shares his personal stories of Visitation but this is more a Prophetic Blueprint of where the Church is headed. Many prophetic insights on the Church's future are pulled from the Church's End Time War Strategy, the Book of Revelation. Jamie is serious about Prayer and many of his Encounters come from prayer. There is a Chapter for the Watchmen and what God is doing with them. He counts John the Revelator as a Watchman on the Wall. He tells you how to really see the Lord show up in the Night Watches. You take the good and the bad as a Watchman. He sees an Explosion in both the Prophetic and Faith. Jamie proves that things are going to get Supernatural and fast in the End Times. He sets the stage for a Coming Great Supernatural Revolution and shows you what kind of person you want to be in the middle of all of this. Jamie ministers with Randy Clark but writes like a Mentor of his, Jim Goll. Couldn't agree more with what he says. This book was highly quotable the whole way through.

Imperative insights into the supernatural God will be manifesting

By Valerie Caraotta

Author and Minister Jamie Galloway has experienced the supernatural in many facets including healings, miracles, angelic visitations and supernatural transport to places. The subject of the supernatural is now common to him but it did not come without a cost. To tap into what we are all privileged to do as Christians it will require a hunger and pressing into God despite the heavens appearing shut before us. Galloway shares the necessity of intercession, being driven by love, and stewarding the mysteries of God from a position of security.

The supernatural revolution about to take place will engulf those with fresh oil of the Holy Spirit to deliver others out of bondage. He believes through multimedia, the Gospel will go forth and will change the focus of nations. As God pours out creative ideas to reach the masses, those He will entrust will be of a humble spirit. The hardest of hearts will be led into healing and salvation and Galloway believes the greatest miracles will be done during the hardest times of despair and blatant cynicism.

This excellent book will equip the hungry to press in like never before and to explore the richness of praying in tongues, while participating in the different night watches. In a time where heaven will invade earth, the unveiling of God's glory can and should be experienced by every Believer. Learn valuable keys to unlocking the glory and soar in the Spirit to greater insight and power. I highly recommend this book as it will change your life's perspective.

A Glimpse into the Emerging Great Awakening of the Church

By Richard R. Blake

Jamie Galloway invites the reader to participate in the unprecedented great awakening taking place among Christian's today. "Supernatural Revolution" is a prophetic vision for the 21st Century. Jamie writes from his heart and shares from his own spiritual journey and "incredible God moments" from his life experiences.

Each of the ten chapters includes a "call to action" in which Galloway challenges the reader with suggested special prayer suggestions, stimulating exercises, and ministry activities that call for supernatural involvement. I found the information on the emerging medial revolution especially informative and enlightening, filled with amazing possibilities. Galloway's writing is Biblically based and well documented with Scriptures, and Old and New Testament examples of God's chosen instruments empowered supernaturally. His writing reflects an authentic passion.

Galloway writes for an emerging generation of Christian leaders, equipping them to take part in an exciting era of supernatural encounter and blessing. This is a book for anyone interested in Supernatural encounters, 21st Century prophecy, spiritual awakening, and global ministry. Remarkable substance broad in scope.
