Five Stars

By George Wessel

Arrived as advertised. 5 stars.

I made a mistake so you won't need to.

By Rodney Newton

Wasn't anything I expected. The pictures are dull and even features a straight up clip art of Disney's Hercules! If you are impressed with the graphics from the 1987 game, Leisure Suit Larry you will love this book. For the price it was a huge disappointment and seems like a cash grab at the adult coloring book fad.
