The Pioneer Woman: Black Heels To Tractor Wheels--a Love Story By Ree Drummond will truly make a lot to be your friend in your lonely. It will certainly be the very best companion to enhance your business as well as leisure activity.

## From Booklist

Popular blogger and cookbook author Drummond shares the story of her courtship and marriage to her husband, whom she refers to as Marlboro Man. Though Drummond grew up in Oklahoma, she never imagined she'd end up there for good. After four years of college in Los Angeles, Drummond was only making a pit stop home before moving to Chicago. A chance encounter with a devastatingly masculine cowboy in a local bar changes everything. Though several months elapse before Marlboro Man calls her, the spark between them ignites as soon as they start dating. A rancher with deep roots in the land he works, Marlboro Man isn't going anywhere, which means Drummond has to decide whether, to be with him, she's willing to give up her dream of moving to Chicago. By the time Marlboro Man proposes, the decision is made, and Drummond prepares to marry the love of her life and discover what being a rancher's wife will entail. Charming and bright, Drummond's story will be an inspiration to those who despair of finding old-fashioned, lasting love. --Kristine Huntley

## Review

#2 New York Times Bestseller (New York Times)

#2 Wall Street Journal Bestseller (Wall Street Journal)

"Fans of Drummond's blog and cookbook will eat up this breathless blow-by-blow chronicle of falling in love with Marlboro Man, a.k.a. her husband, and adapting to life on his ranch. . . . Generous dollops of self-deprecating humor contribute a welcome tang." (People)

"Charming and bright, Drummond's story will be an inspiration to those who despair of finding old-fashioned, lasting love." (Booklist)

"The Pioneer Woman is perfect reading for Valentine's Day, whether you're celebrating a lasting love or still looking for The One. Even the most cynical of readers will be charmed by Drummond's hilarious story of being won over by a cowboy." (BookPage)

“An affecting new memoir . . . charming and romantic. Riotously funny . . . Drummond is . . . sure to have readers in tears and in stitches. In a word: delightful.” (Publishers Weekly)

From the Back Cover

That’s when I saw him—the cowboy—across the smoky room.

I’ll never forget that night. It was like a romance novel, an old Broadway musical, and a John Wayne Western rolled into one. Out for a quick drink with friends, I wasn’t looking to meet anyone, let alone a tall, rugged cowboy who lived on a cattle ranch miles away from my cultured, corporate hometown. But before I knew it, I’d been struck with a lightning bolt . . . and I was completely powerless to stop it.

This isn’t just my love story; it’s a universal tale of passion, romance, and all-encompassing love that sweeps us off our feet.

It’s the story of a cowboy. And Wranglers. And chaps. And the girl who fell in love with them.

Worth the buy

By Lori A. Peters

Another great PW cookbook! The photos are stunning as always, the directions are as clear and illustrated as one could want. In response to some previous reviews I have seen where buyers were upset by "all the pictures" and "regular recipes" Please research what you buy before you buy it. If you want a James Beard winner shop that way. Ree is an accomplished "regular" home cook like most of us and presents her very approachable recipes in the same fashion. Good food, beautiful book. Ive never had a recipe Ive tried fail!

A Fun, Romantic Read

By Kammy T

I don't read many romantic books, but I really enjoyed reading this fun story of how Ree Drummond and her husband met. Falling in love drastically altered her future life. She has a pleasant writing style, and while her story could have been too cheesy, it's not. Her re-telling made me feel sentimental and brought back emotions that you feel when everything is so new and so uncertain.

Both Ree and "Marlboro Man" as she refers to her cowboy are likeable personalities. I liked the embarrassing stories that she shares of their early relationship, and I understood many of the stresses and heartache in their first year of marriage. I think her writing style is comfortable and relateable, and a nice way to spend a couple of evenings. You can read it fast, and it won't change your life, but you'll enjoy it.

Wow, can the Pioneer Woman Cook! It's a holiday feast, all year long.

By Anastasia Duro

[[VIDEOID:mo2JJFZ4AYNIO0]]I love Ree Drummond, and I am absolutely THRILLED to own all three of her cookbooks. This is my video review of the third one.
