WHEN HOPE WHISPERS BY ZOLEKA MANDELA PDF

Despite being only 33 years old, Zoleka Mandela has endured enough to fill several lifetimes. While she may be a member of South Africa's own royal family, Zoleka has not led a sheltered life. She has traveled down paths which most would not dare; from the horror of losing two children within two years, to the shadowy journey through cocaine addiction and rehab, and being diagnosed with cancer. Though she was robbed of her children, stripped of her sobriety, and subject to a disease that necessitated a double mastectomy, Zoleka Mandela is not a victim. She is a survivor, and her story serves as testimony to the strength of the human spirit in fighting against life's challenges. Zoleka is a living example of success in spite of overwhelming challenges. She is now clean and cancer-free; she had her last session of chemotherapy in April 2013, and has been sober for 36 months. Through her story, it is impossible not to have faith in the good things in life, and possible to believe that anything is achievable.

Hope speaks volumes

By Doris G. Reynolds

On a trip to South Africa for work, I read a news article on Zoleka Mandela. I was so intrigued by her story that I was in search of her book once I was back in the States. After reading the book, I am more inspired by her strength and determination. She is her grandfather's daughter.....making a difference in life and giving us hope. I love her vulnerable spirit and will to live. My life has changed because of the message in this book.

Inspirational

By trudy

this is such an inspirational book, to help people going through cancer and also help parents know how help their kids against getting involved in drugs, It helps you understand why some people do what they do and what help you can give them.

I love her style of writing, very honest and straight to the point.

Zoleka Mandelas Book

By Makhosazana Tshabalala

I enjoyed the skill of writing, simply writing no unnecessary jargon. It made it feel like i was talking to a friend when i read the book. If you are looking for a story of hope and human resilients then this is a book to read. The end message that comes out is will hope and a fighting spirit they a price at the end of the tunnel. Positive criticism i would have love to know more about her miracle baby and how she went about to conceive. That sis'Zoleka from a young from Soweto to a big sister.
