Where does the Bible mention it? This book tells where.

Ever wanted to know where in the Bible people actually fell under the "power"? This little mini-book tells you where, and you'll be surprised too. The truth's Hagin points out in this book, and the scriptures he uses reveal that falling under the power is scriptural. In fact, you will be surprised where the Bible actually mentions falling under the power, and how often it does. This book points out that this doctrine is of and in the bible, and not a man made fiction.
